FISCAL NOTE

SB 3825 - HB 3811

February 15, 2010

SUMMARY OF BILL: Assigns the state employee staff responsible for the administration of the state employee health plan to the Department of Finance and Administration. Adds the Deputy Director of the Division of Intellectual Disabilities to the Access TN Board of Directors.

ESTIMATED FISCAL IMPACT:

Increase State Expenditures – Not Significant

Assumptions:

- Assigning the state staff responsible for administering the state employee health plan to the Department of Finance and Administration codifies the current arrangement. Currently, the Finance and Administration Benefits Administration Division administers the state employee health plan.
- There will not be a significant increase in expenditures for the Deputy Commissioner of the Division of Intellectual Disabilities to attend the Access TN Board of Directors meetings. Any cost can be accommodated within existing resources without an increased appropriation or reduced reversion.
